

## **2019 MARKET SEASON**

**MISSION STATEMENT:** The mission of the Downtown Saginaw Farmers' Market is to be the region's leading farmer's market featuring the area's highest quality produce and products directly from our farmer producers and vendors.

*If any of the following information needs further clarification or if you have questions, please contact Julie Darnton, Board Chair (temporarily filling in for Executive Director) at 810-922-6483 (cell) until a new Executive Director is named. When at Market, contact the Market Master.*

### **2019 Vendor application, table fees, and information:**

All vendor table space and parking space will be assigned by the DSFM Board for the 2019 season. The number of tables allowed for rent will also be determined by the DSFM. Vendors are allowed a maximum request of three (3) tables per farm/vendor/business/address for full season rentals. A confirmation letter/email will be sent back to each seasonal vendor confirming the number of tables they will be allowed to rent for the 2019 Market season. Unused tables may be rented at the daily rate upon approval of the Market Association including rental to daily and seasonal vendors. The Market Master will call the seasonal vendor to confirm their absence before renting the space to a daily vendor.

All vendors will pay a non-refundable, yearly Application Fee of \$25.00.

Farmer direct, homegrown, homemade, handmade – Daily \$30 ~ Full Season \$500 per table rented

Resale – Daily \$60 ~ Full season \$1,000 per table rented The DSFM Board reserves the right to limit these tables and determined the number of resale tables available during any market season will NOT exceed 15%.

Vendors interested in seasonal table(s) please make sure you indicate on your Application the day(s) you plan to attend Market. You will ONLY be allowed at your seasonal table on the day(s) you have indicated and this will be STRICTLY ENFORCED! Your table(s) may have more than one seasonal vendor. Please also indicate what type of vehicle will be coming to Market and if you will also be hauling a trailer to Market. This will help in the assigning of vendor tables and vendor parking space.

A 3% service charge will be assessed to vendors accepting EBT(SNAP)/DUFEB/Credit/Debit Market tokens. When tokens are given to the Frankenmuth Credit Union associate for redemption, this 3% charge will be taken automatically from the vendor reimbursement check written by the DSFM Treasurer. Each vendor will have the option to participate in these programs or decline participation when they sign the EBT(SNAP)/DUFEB/Credit/Debit Agreement form provided by the DSFM to each vendor yearly.

All outstanding debts owed by vendors to the DSFM will be paid off ***completely*** prior to the new season vendor application being accepted for participation at Market.

**The DSFM requires ALL vendors to supply the Market with a copy of their liability insurance policy (business or farm owners/homeowners) with minimum liability coverage of \$500,000.00. Vendors WILL NOT receive table designation without a copy of their liability insurance coverage in the possession of the DSFM. A signed Hold Harmless Agreement must also be returned and on file before participation will be allowed. *Any questions, please contact Julie Darnton before returning vendor information.***

Each table is eight (8) feet long. The space defined by the area of the table(s) and area immediately behind those assigned areas is the space rented by the vendor and is the responsibility of that vendor to maintain throughout the market day.
